Billing: See Water Utility Operating Rules (Schedule X-1), Chapter 5 - Billing and Collection

Late Payment Charge: 5 percent (See also Wis. Stat. § 62.69(2)(e))

Large volume retail customers may be billed monthly based on monthly meter readings at the discretion of Milwaukee Water Works.

General Service - Urban - - - Mg-1.1

Non-Sufficient Funds Charge: \$35.00

Basis for charge: Bank charges and/or administrative costs are incurred for the processing and collecting of NSF checks.

Application: This charge applies to the customer's account whenever a check rendered for utility service is returned for non-sufficient funds.

Interim Meter Readings Taken by Utility Staff: \$25.00 per reading

Basis for charge: In situations where such readings (taken between regular quarterly readings) are required for real estate closings, changes in tenancy, etc., Milwaukee Water Works accepts the customer's reading.

Application: This charge applies whenever the customer requests that utility personnel make the reading.

Status of Account Charge: \$10.00 per reading

Basis for charge: Requests of customer account balances after a billing.

Application: This charge applies whenever a title company makes a request.

Final Bill Charge: \$20.00 per reading

Basis for charge: Requests of a final bill for an account.

Application: This charge applies whenever a customer makes a request.

Investigation Charge: \$40.00 per investigation following the first free investigation

Basis for Charge: Investigations have been performed by the utility as a customer service, generally to identify leaks. They generally are scheduled in advance and the customer is advised to be present to give access to the building. At times, the customer fails to be present or is unable to give full access. Some customers demand additional investigations within a short period of time under circumstances that do not warrant the additional effort. This charge for additional investigations compensates Milwaukee Water Works for the resulting cost.

Application: This charge applies whenever a customer fails to be present at a scheduled investigation and the customer reschedules the investigation. A first no-show would not be charged. A second no-show would be chargeable. This charge would also be made for a second or subsequent investigation scheduled within a three month period.

Billing: Same as Schedule Mg-1.
